All debts not paid by the due date may incur interest based on the Commonwealth Bank Overdraft Reference Rate plus 2%, charged daily from the due date until the total debt (port charges plus any accrued interest) is paid in full. NQBP may recover an administrative fee (minimum of \$100) and any additional administration costs or legal costs (including any external legal costs based on invoiced accounts) incurred by NQBP as part of the debt recovery process in addition to the invoiced port charges and any accrued interest (these fees and charges are deemed to be an additional port charge).
