

# Bowen Wharf Project

## Community engagement

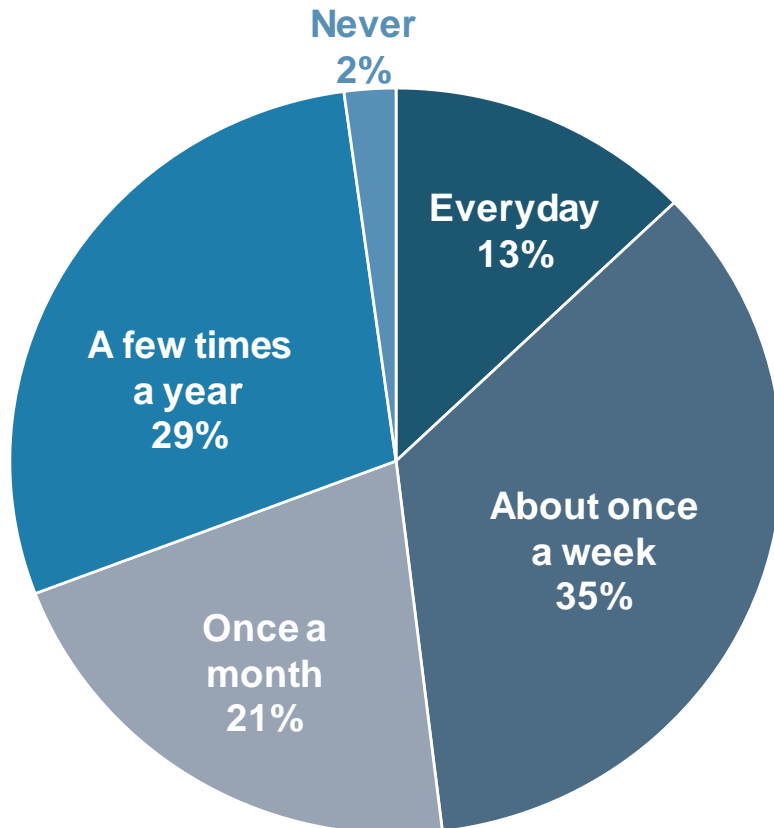

March 2024

# Online survey

## 4 March to 2 April 2024

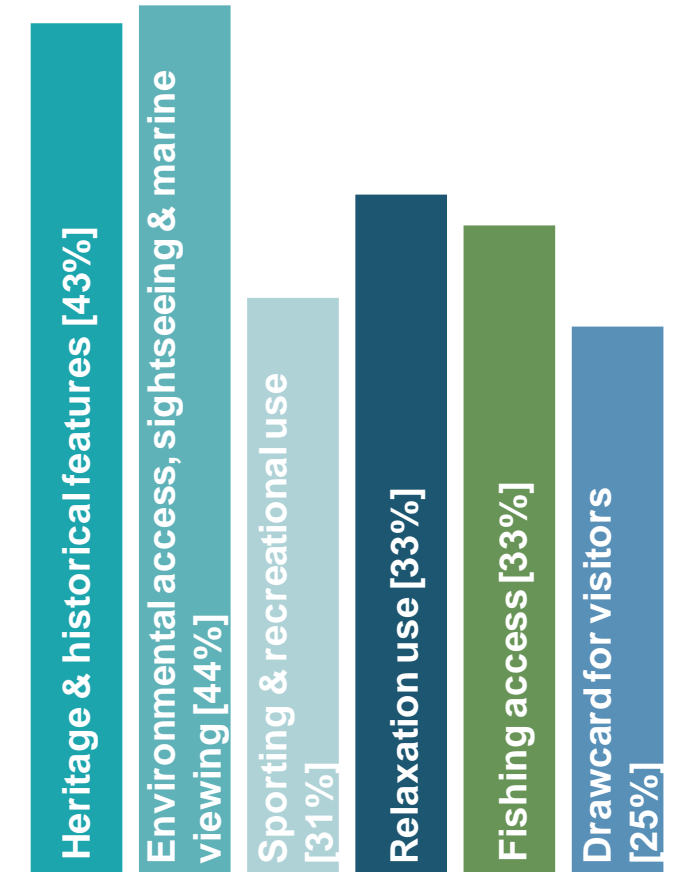

How often do you visit/use the Jetty?

How do you use the Jetty now?

What do you most value about the Jetty?

# Online survey

## 4 March to 2 April 2024

What do you most value about the Jetty?

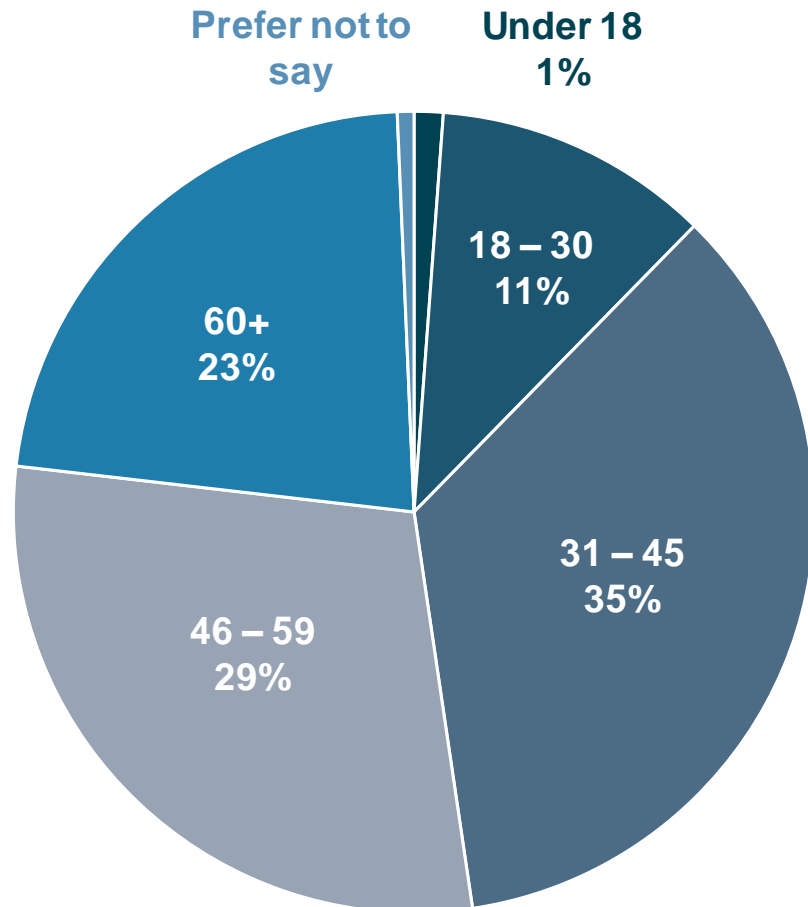

# Online survey

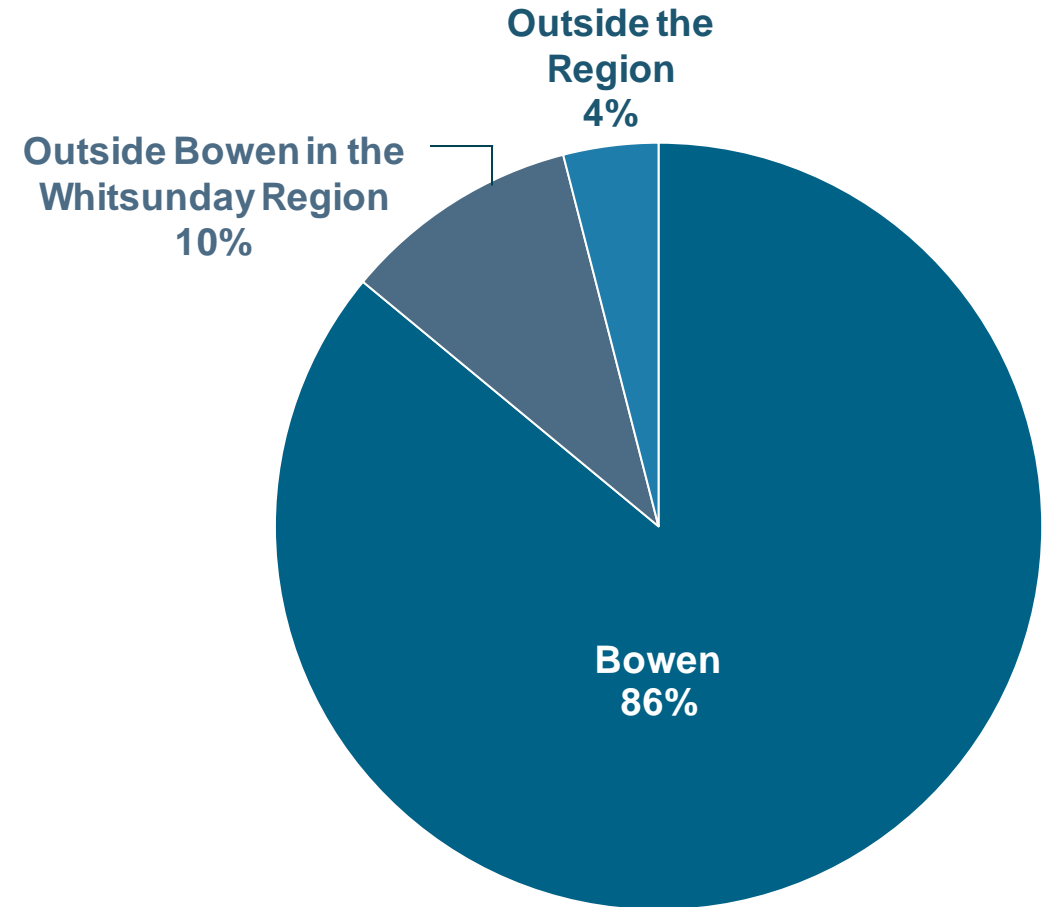

## 4 March to 2 April 2024

Here's more information about who gave responses to the survey:

### Age group

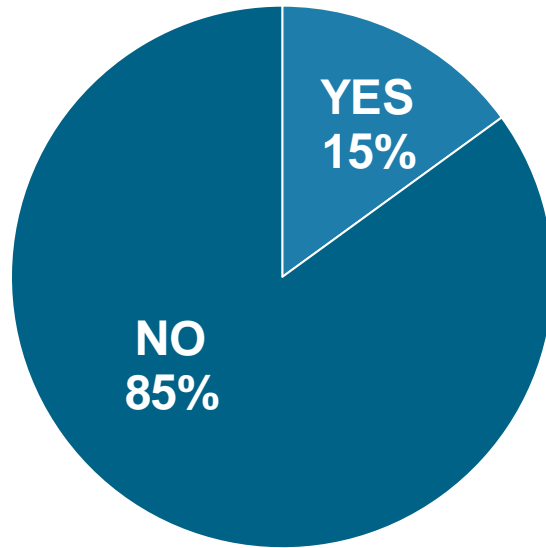

### Location

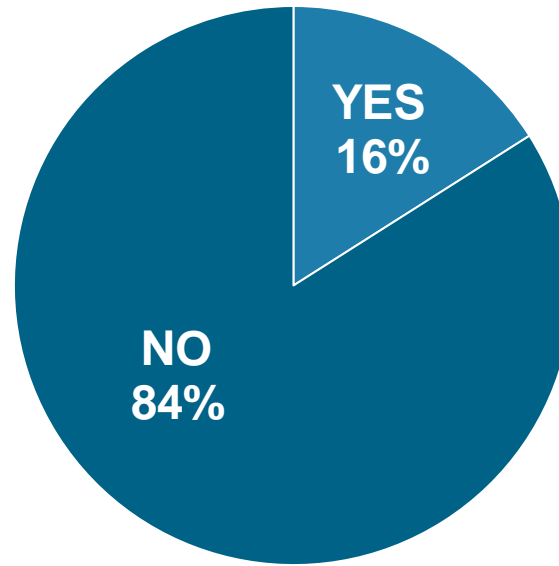

# Online survey

4 March to 2 April 2024

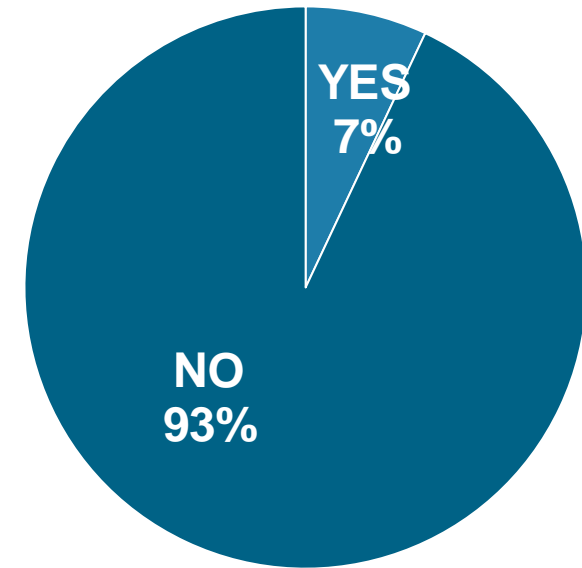

Aboriginal or Torres Strait Islander origin:

Were born in a country outside Australia:

Identify as a person with a disability:

# Bowen High School engagement

25 March 2024

The key themes from the Bowen High School workshop were:

## Fishing

Enhancing fishing amenities like rod holders, platforms and lighting as many young people use the jetty regularly for fishing

## Recreation

Adding fun activities for young locals and visitors like swimming areas, jumping platform and underwater viewing

## Accessibility

Making the jetty accessible to all with a smooth path and allow for vehicles

## Amenities

Adding features like seating, toilets, internet access and shade

# Enquiry by Design workshops

## 25 and 26 March 2024

Feedback from the workshops focused around the key themes of:

### Fishing

Embracing and enhancing the existing fishing culture around the jetty – for both locals and visitors

### Amenities

Adding features to make the jetty more enjoyable like seating, shade, toilets

### Accessibility

Making the making the jetty something people of all ages and mobility can enjoy safely

### History

Valuing the past and the sharing the stories of the jetty in all its previous forms

### Ecology

Protecting the marine environment, flora and fauna

### Recreation

Adding activities and attractions to boost local and tourist use

### Education

Adding features that celebrate the historic, ecological and cultural aspects of the jetty

### Commercial

Adding food and drink retail options and other commercial activations

# Community pop-up information session

## 26 March 2024

The key themes established from discussions were:

Amenities

History

Accessibility

Fishing

Recreation
