

Sustainable Ports Planning: Master planning for the priority Port of Hay Point/Mackay

North Queensland Bulk Ports – Community Reference Groups

Adam Jones, June 2021

About us

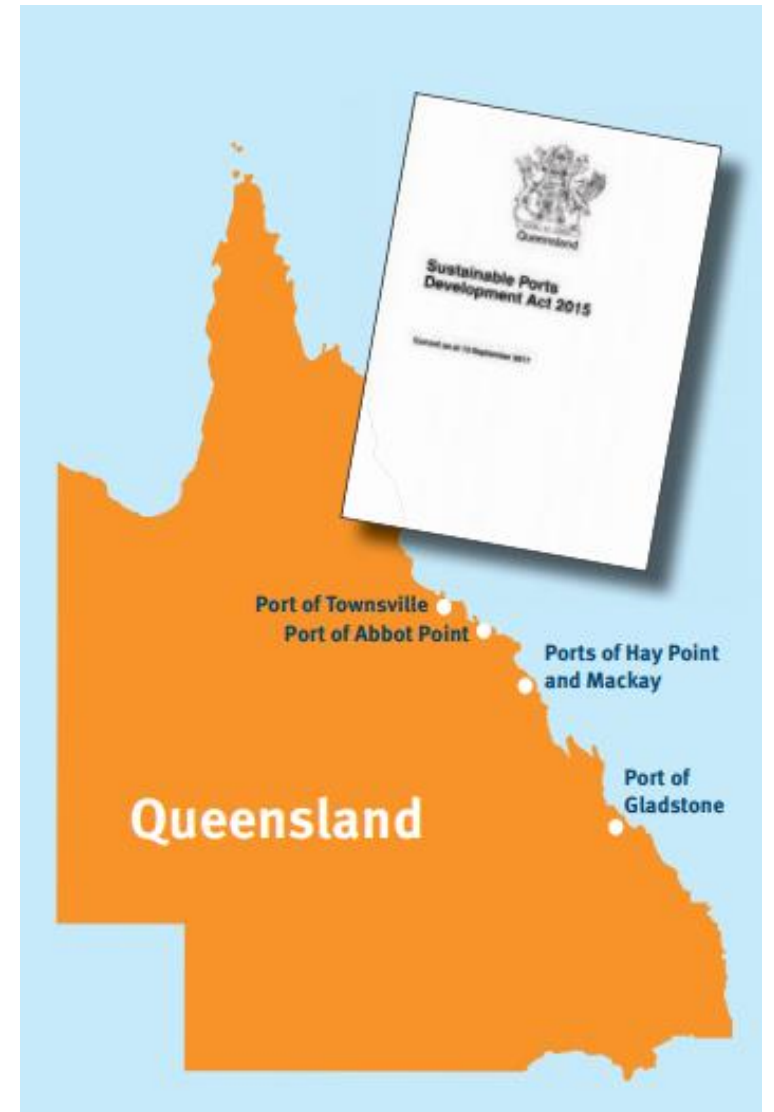

Agenda

- What is priority port master planning?
 - Priority port master planning process
 - Master planning considerations.
- Master planning for the priority Port of Hay Point/Mackay.
- Stakeholder engagement.
- Questions.

What is priority port master planning?

- *Sustainable Ports Development Act 2015* (Ports Act) – a legislative framework establishing:
 - Key port related actions as part of the *Reef 2050 Long-Term Sustainability Plan*.
 - Priority port master planning for Gladstone, Townsville, Hay Point, Mackay and Abbot Point.
- Striking the balance – protection of the Great Barrier Reef with sustainable port development.
- The Department of Transport and Main Roads (TMR) is leading priority port master planning for the Queensland Government.

Priority port master planning process

Master planning considerations

Master planning for the priority Ports of Hay Point/Mackay

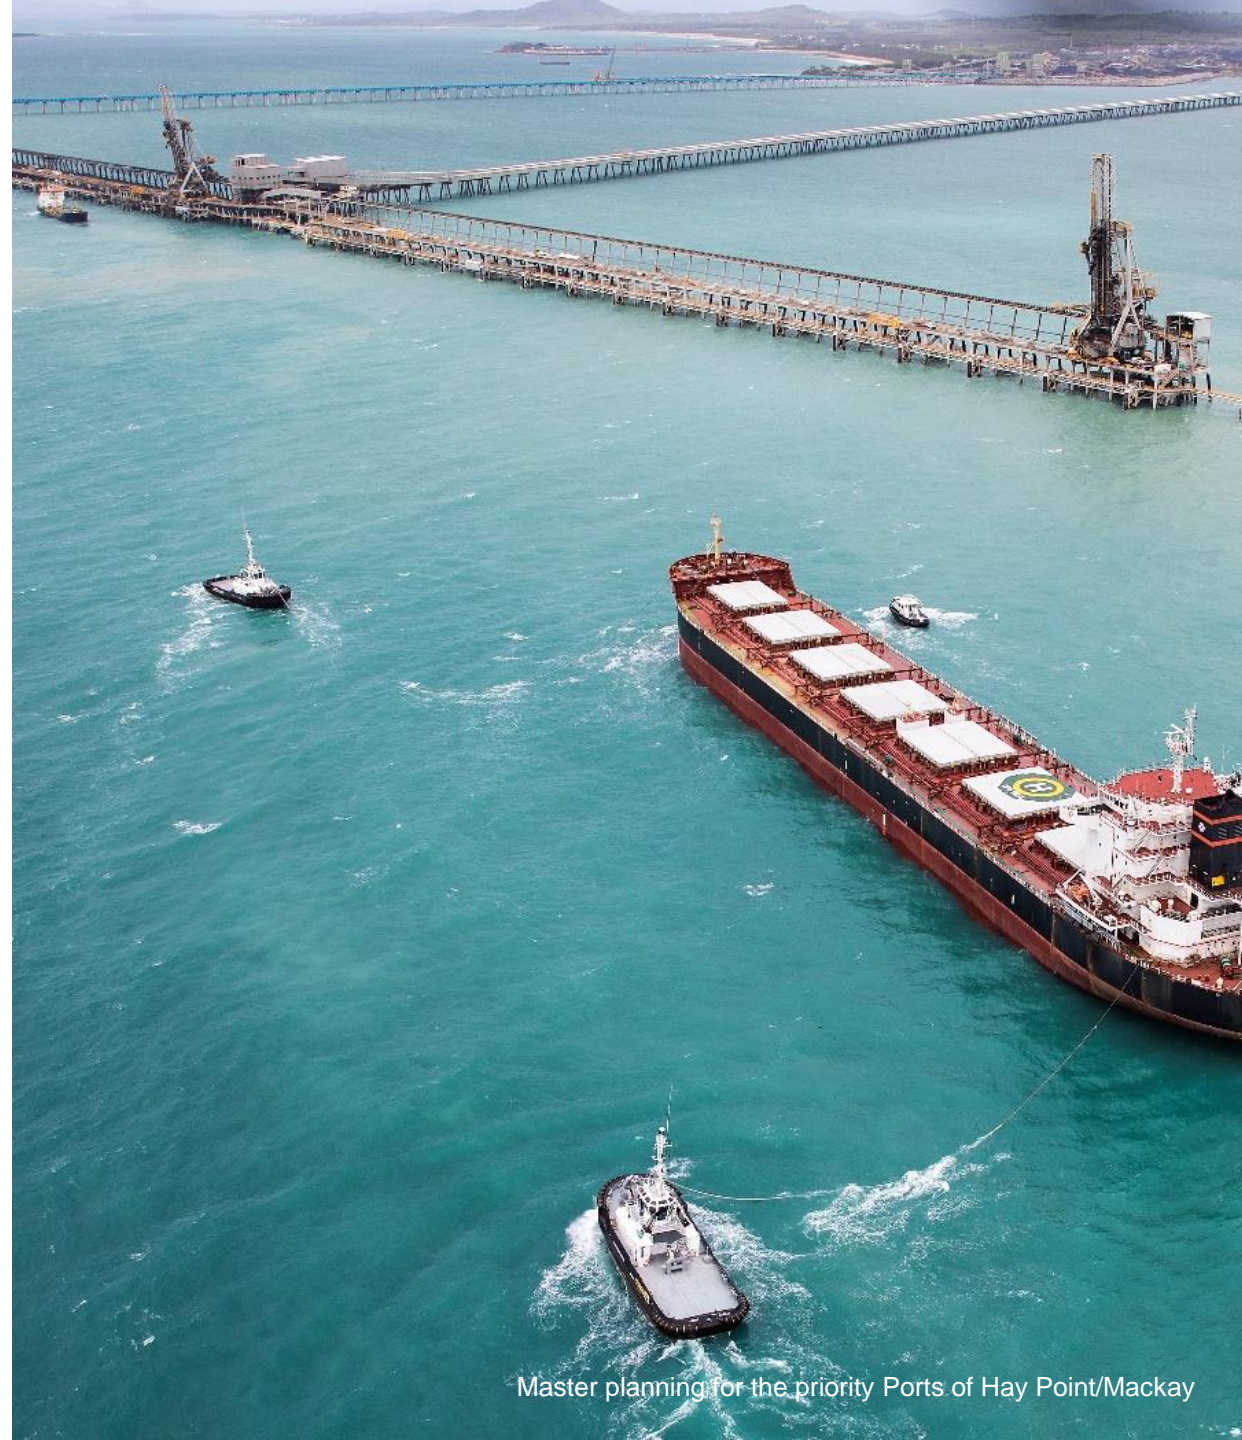

- The notice of proposal issued on 5 May 2021 to port authority and local government.
- Next step – develop sound evidence base for master planning.
- Evidence base will support draft master plan and draft port overlay preparation by addressing master planning considerations.

Stakeholder engagement

- Public consultation will be conducted on the draft master plan and draft port overlay (Ports Act requirement).
- Submissions must be made in writing to the Minister for Transport and Main Roads.
- To register interest in the master planning for the priority Ports of Hay Point/Mackay, email: HayPointMackayPortMasterPlan@tmr.qld.gov.au
- Registered stakeholders will be notified when community consultation for the draft master plan and draft port overlay commences.

Questions?
