

# HALF TIDE TUG HARBOUR

## PUBLIC BOAT RAMP – ADDITIONAL TEMPORARY PUBLIC ACCESS AREAS

### WHAT'S HAPPENING?

In 2026, NQBP will open additional temporary public access areas near the Half Tide Tug Harbour public boat ramp, following consultation with the Port of Hay Point Community Reference Group.

### WHAT'S BEING DELIVERED?

Located on strategic port land, these additional areas include:

- An area for pedestrian recreational fishing access and
- An area of additional unmarked car and boat trailer parking.

### WHY IS ACCESS TO THE ADDITIONAL AREAS ONLY TEMPORARY?

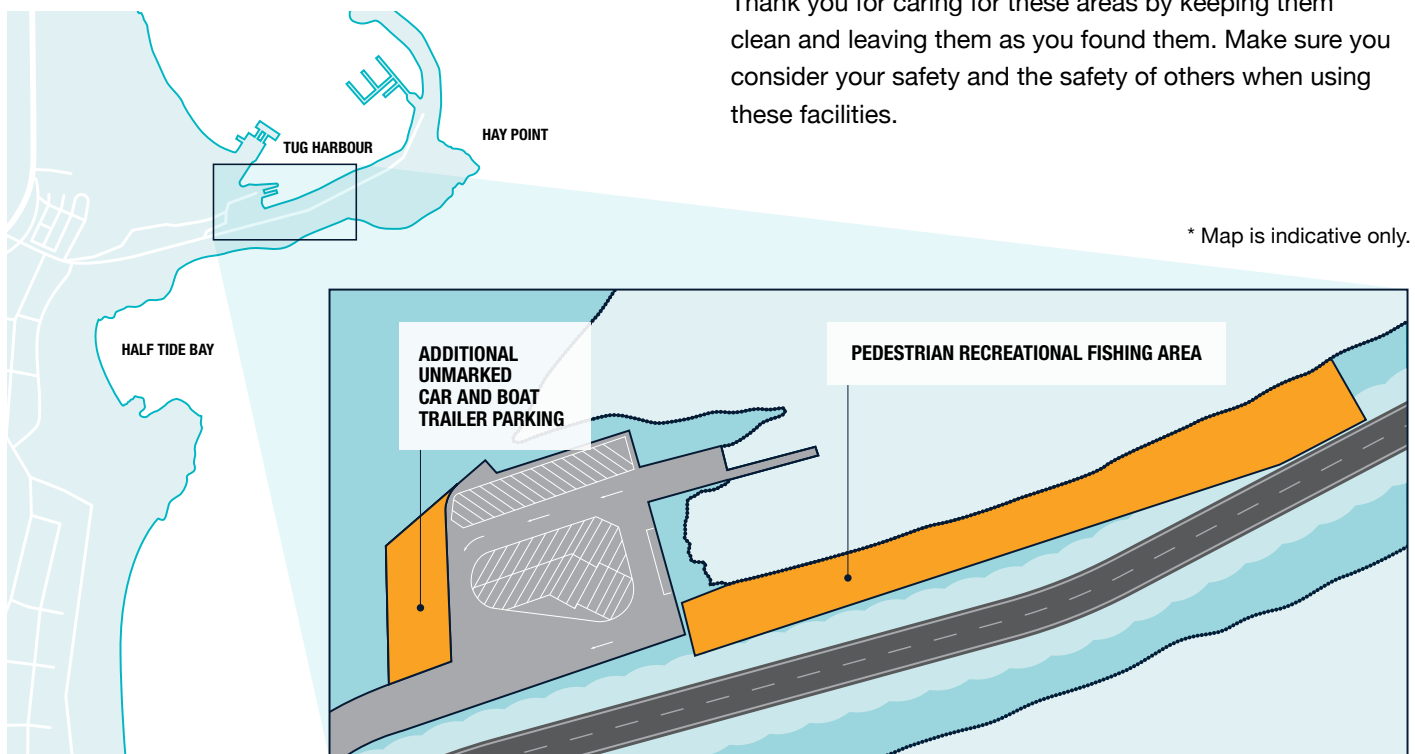

Our ports are crucial trade gateways, driving economic growth, creating jobs, and supporting industries across Queensland and beyond.

From time to time, these areas may need to be closed to support priority port operations.

For information on upcoming closures, please check our website.

### COMMUNITY USE

Thank you for caring for these areas by keeping them clean and leaving them as you found them. Make sure you consider your safety and the safety of others when using these facilities.
