## Bicentennial Community Park access restrictions

From Monday 25 September 2023, GHD will be undertaking detailed site investigations at the Port of Weipa's Hornibrook Point (also known as Bicentennial Community Park) and the former slipway yard at Evans Landing.

The works are expected to take up to one week to complete.

To ensure public safety, areas of the sites will be restricted to the community while the work is underway.

Your cooperation and understanding is appreciated.
